Accomodation options

At Morning Glory River resort we have two different options to accommodate you and your wedding guests

We have 13 Fully self contained cabins that in total can accommodate 80+ guests. Each unit varies in size from 1 bedroom up to 4 bedrooms, tariff sheets are available from reception or on our website.

The second option is our powered or non powered camping areas for guests with tents, camper trailers or caravans.

We suggest having your guests call to book as early as possible to avoid disappointment, bookings are not secured until a deposit of first night accommodation has been received.

Please note it is a 2 night minimum stay on weekends

Choose from self contained villas powered & unpowered camp sites
